Old Business –

Diane Evans has not heard anything from Phil Wright so she is going to reach out to him again.

New Business –

Tyler Howell reported that he put pea gravel around the South Street pump station.

Tyler Howell reported that AEP requested the Market St pump station be shut down while they complete some work. The generator kicked on and everything ran fine after it was turned back online.

Diane Evans wanted to discuss the meter readings and charging cubic feet so the sewer bill and water bill are charging the same units. If the board changes to cubic feet it would covert to \$.04 per cubic feet.

Aqua is changing their meter reading dates so the Board has no choice but to coordinate with those dates. Here is the following schedule for 2024 when sewer bills will be mailed:

April 24

May 23

June 20

July 18

August 17

September 13

October 10

November 12

December 11

Once sewer bills are mailed out the due date will be 15 days following.
