Old Business –

Diane Evans reported that the Board wants to look forward at 2025 and what projects they want to accomplish to keep improving the system. The pump station by 350 High Street is going to be top priority for replacing the valve. Diane Evans proposed putting \$2,000 away each month for a capital improvement fund.

The Board discussed the quote they received from El Dorado to upgrade the current utility software for \$2,350.00 which would include an online portal for customer bills. Both software options were compared. Software discussion was tabled.

The Board needs to get in contact with Phil Wright about the lagoons and the status of the proposed enzymes project.

New Business –

Motion to adjourn by Doug Shawver.
