The financial report – Diane Evans made a motion to approve the bills with a second by Doug Shawver, motion passed. Diane Evans made a motion to approve the meeting minutes with a second by Doug Shawver, motion passed.

Old Business –

Diane Evans reported that she and Doug Shawver meet with Phil Wright and it was an extremely informative meeting. South Street cost estimate with material and labor is \$25,000. Lead time on the pumps is 8-10 weeks. Due to delay waiting on the parts Diane Evans proposed hiring Dan Hicks that lives near the South Street pump station to monitor for any shut downs. Tyler Howell is going to look into getting the light working on the south street pump station so it can be monitored. The Board was all in agreement to contract with Dan Hicks to keep an eye on the pump station and the repairs can be completed. Additionally, Marion County Sanitary will be presenting a new contract and it will have some increases in services.

House Bill 93 did not make it through the committee so it has not passed yet. The Board would like to add to the rules and regulations that from here on out any new rentals have to be put into the property owners name.

New Business –

The Board agreed to spend \$5,000 this year on street patching for the repairs that need completed from previous water line repairs.

Motion to adjourn by Doug Shawver.
